Responses to Question Raised by Applicants
For HMS-903-11-03-S, SEE Hawaii Work

1. Can the Department please confirm that proposals must be received no later than 4:30p.m., Friday, May 20, 2011?

This will confirm that the proposal submittal deadline is Friday May 20, 2011.

Applicants who plan to hand deliver their proposal are advised that May 20th is a State furlough day, and the office will not be open to the public. Please call the front desk at 586-5735 when you are ready to deliver your proposals.

Mail in proposals must be postmarked by the United States Postal Services (USPS) no later than May 20, 2011.

2. It was stated at the bidder's conference that the State will not be providing computers. However, current Retention Specialists are using State-provided HANA comupers. Will we be able to keep these computers and will the State provide additional HANA computers?

The selected applicant will be provided State computers to be used by staff who works directly with the TANF client when processing a SEE subsidized employment placement.
